

FOR IMMEDIATE RELEASE

Amy Blount Lay – New Work

October 6th – October 28th, 2007

Opening on Saturday, October 6th, 7:00-10:00 PM

Installation Detail, 2007.

Balsa wood, foamcore, plexiglass, chip board and matte board.

Using the language of the handcrafted architectural model as a narrative tool, Lay creates multiple interconnected worlds that propose both ruin and renewal. What in some locations may seem like a nightmarish sprawl will subtly shift into a feel-good fantasy. Aggressively optimistic, Lay's sculptural landscapes playfully trespass over the boundaries between conscious thought and unconscious desire... like a good bedtime story.

Amy Blount Lay received her MFA in Art in 1994 from the California Institute of the Arts and her BFA in Painting from the University of Kansas in 1989. She can be contacted via email at: amy.lay@mac.com.
